CONDITIONS OF SALE

1. Any person tendering shall fill in and sign the Form of Tender attached to these Conditions and deliver the same intact with the Particulars attached thereto to the office of **EDWARD WELLS** by **12 NOON MONDAY 23rd MARCH 2020** (Tenders may be sent by post, fax or email). By submitting a tender, the person so doing warrants that they have read and agrees to be bound by these conditions and binds both themselves and any employer if bidding on behalf of their employer.
2. No tender may be withdrawn and the vendor (or his agent) does not bind himself to accept the highest or any Tender. The Agent shall give notice of acceptance to the person or persons whose Tender is accepted to the telephone number given in the said Form of Tender by: **5PM WEDNESDAY 25th MARCH 2020** and the Tender shall be deemed to have been accepted by the Vendor on such notification. The Vendor reserves the right to accept the whole or such part of the Tender as they think fit.
3. Payment in full by Bankers Draft or cash only shall be paid to the Agent prior to collection by arrangement and the lots shall be at the purchasers risk from receipt of full payment. The lots must all be cleared from the site by the purchasers at their own expense **BY PRIOR ARRANGEMENT** with the Agent, telephone number 01394 380450 by: **4PM FRIDAY 3rd APRIL 2020**
4. Neither the Vendors or Agent will be responsible or accept any liability for any accident to life, limb or property which may occur prior to, or during the process of inspection or at any time during the removal of the lots which must be entirely at the purchasers risk.
5. The lots are sold with all faults and errors of description. The purchaser is deemed to have inspected the same before handing in their Tender and if they tender without previous inspection they do so at their own risk. No allowance will be made nor will the Vendor be answerable to any deficiency in quantities or measurements. If the lots are not cleared away within the arranged time, then the purchase shall be without prejudice to the Vendors or Agents rights under these Conditions, pay as a rent a sum equal to 5% per week on the value of the uncleared lots as estimated by the Agent. This rent shall be deemed to be part of the purchase money but shall be in addition to the amount of the tender. The title of any lot will remain with the vendor until the full purchase monies, together with any storage or interest charges have been paid in full.
6. Any computers, peripheral equipment, or computer aided plant and machinery is sold on the strict condition that no software whatsoever is included. Furthermore, the purchaser hereby undertakes to obtain a licence to operate any such software from the relevant authority.
7. The purchaser shall be responsible for the safe removal and collection of the lots in a safe and lawful manner. Flame cutting, or any other hazardous or inflammatory process is strictly prohibited without prior written consent. The purchaser also warrants that all personnel and sub-contractors hold adequate third party insurance covering the act or acts which they are undertaking. The purchaser further undertakes that any person operating vehicles or specialist loading/moving plant and machinery on their behalf has adequate training and relevant operators' certificates. If any damage be caused to other assets or buildings of any kind, by taking down or removal of the lots, such damage shall be made good by or at the expense of the person or persons committing such damage or his or their employer. The purchasers of the lots shall indemnify and keep indemnified the Vendor and the Agent from and against all costs, expenses and liability in respect of damage to property or injury to persons which would not have been incurred or have arisen but for the entry on the premises by the purchasers or their workmen or agents for the purpose of removing the lots.
8. Undertaking – Health and Safety at Work Act 1974

The purchaser undertakes to take such measures as may be necessary to ensure so far as is reasonably practicable, that goods purchased will be safe and without risk to health at all times when being set, used, cleaned or maintained by a person at work (including, without limitation, compliance with electrical safety and guarding requirements from time to time in force and whether issued pursuant to the above Act or otherwise. It is expressly brought to the purchaser's attention that at the time of sale any item of plant, machinery or equipment contained in the lot(s) may not necessarily comply with the Health & Safety at Work Etc. Act 1974, Environmental Protection Act 1990 or any other Act or Acts or regulations thereunder governing the use of that plant, machinery or equipment in a working environment. Purchasers for any such plant, machinery or equipment are hereby required to ensure that the use of any such plant and equipment at a place of work within the United Kingdom does not contravene such relevant Act or Regulation thereunder applicable thereto.

It is expressly brought to the purchaser's attention that certain types of plant or main service installations could contain blue or white asbestos, dangerous chemicals etc. which, if not handled correctly during their removal from site, could be in breach of the Health & Safety at Work Act 1974 section 2-9 and Control of Substances Hazardous to Health Regulations 1988 (COSHH) or any other current legislations covering the use of such substances in a working environment.

All purchasers must comply with all current legislation and regulations in relation to the removal/disposal of waste including hazardous waste and may be required to satisfy the vendor or his Agent in relation to their disposal/removal procedures. Where waste materials are removed, all work must be undertaken by an approved and licensed contractor.

The purchaser or his designated removal contractor will not commence any work on his purchase until he has demonstrated to the vendor's reasonable satisfaction that the requirements of all Health & Safety, CDM (Construction Design & Management) and Working at Height Regulations applicable to the removal of the equipment have been fulfilled. The vendor's decision on this is final.

The vendor's agent reserves the right to request that the purchaser pays a bond in respect of potential damage to the sale premises prior to commencing removal.
9. The vendor may, without giving any reason therefore, refuse to accept the offer of any person or persons.
10. The buyer of a motor vehicle is responsible for complying with the provision of the Road Traffic Act 1972 and all relevant regulations made under section 40 thereof (including the Motor Vehicles (Construction and Use) Regulations 1986 and statutory modification thereof).
11. Furniture and Furnishings (Fire Safety) Regulations (1988): lots sold where they are applicable to this act are sold in the understanding that the vendor does not represent them as being in a condition which makes them suitable for domestic use. The purchasers are reminded that if nevertheless any of the goods or articles are intended to be supplied in due course for domestic use the purchasers shall, before supplying them for such use, ensure that they comply with the obligations required under the Furniture & Furnishings (Fire & Safety) Regulations 1988)
12. Electrical Safety Regulations

All electrical lots are subject to electrical safety regulations and fall within the "low voltage electrical equipment (safety) regulations 1989" and therefore may only be purchased by a trader who is in the business of repairing or reconditioning such items to comply with these regulations.
13. VAT at the current rate will be charged in addition to the amount tendered on all purchases, except private cars.
14. The sale is on behalf of the Liquidators who are selling such right, title or interest they may have in the assets.
15. The Liquidators act as Agents of the Company without personal liability.
16. Submission of this tender form will be taken as confirmation that the bidder consents to their name and contact details being retained for future marketing purposes only in relation to any further sales conducted by Edward Wells or firms acting as consultants to Edward Wells from time to time.
